SUBJECT: Reach Compliance Statement

To whom it may concern:

This document is Reed Switch Developments Corporation's (RSD) statement regarding EC Regulation 1907/2006, also known as REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals).

At this time, RSD assemblies that are encapsulated in silicone do not contain any substance that is listed on the "Candidate List of Substances of Very High Concern" updated on June 25, 2020.

RSD has taken reasonable steps to provide accurate information about SVHCs in materials and components that are provided to RSD and used in RSD products. RSD relies on data supplied by, and statements made by, suppliers of materials and components for this information.

REACH Declaration Forms provided by RSD suppliers are kept on file, maintained and updated, as needed.
